
Declaration of Non-Ownership or Leased/Rental Vehicle

This form should be completed and submitted if you have been issued a parking citation on a vehicle that was legally sold, leased or rented at the time the parking violation was issued. In accordance with California Vehicle Code Section 40200, it is presumed that the registered owner of the vehicle was the person that parked the car illegally. The Department of Motor Vehicles files you were listed as the vehicle owner of record on the date that the parking ticket was issued. If this information is incorrect and you did not own the vehicle or the vehicle was leased/rented on the parking ticket issuance date, please complete the Declaration of Non-Ownership or Leased/Rented Vehicle

The City of Pasadena is required by California State Law CVC 40210) to obtain proof of an alleged transfer of ownership from the Department of Motor Vehicle's records. If you cannot obtain proof of transfer you are obligated to pay the fine or contest the parking ticket.

California State Law also requires proof of a written lease or rental agreement that includes the name, address and driver's license number of the person that rented or leased the vehicle on the day of the parking violation. In accordance California Vehicle Code 40209 the information must be submitted within 30 days of the date of the notice of delinquent parking.

The undersigned declares that I did not own the vehicle bearing the listed license plate below on the date the parking violation occurred.

Please place a check mark in the applicable space.

A. The vehicle was **Sold** to someone else.

B. The vehicle was **leased/rented under a written agreement.**
